## DECORATING NORLEY VILLAGE TREE

Craft Club had a wonderful frosty walk down to the village Christmas tree adorned with our handmade decorations. The children had produced some beautiful tree decorations during our after school Craft club for both the school tree and for the village tree. We enjoyed decorating on the frostiest morning of the year and we couldn't resist singing some carols. Have a look at the tree on your travels and see if you can spot anyone's you know.

## BARRY AND GARY

Barry and Gary are looking for a home over the Christmas holidays. They will come with everything they need and are very easy to look after. They are excellent at eating unwanted sprouts and are a great excuse for a sit down and a cuddle over the festive period.

## POPPY APPEAL

We raised an excellent £177 from our poppy sales this year. We would like to thank all of you who contributed and also thank our class 4 children who gave up their play times to sell them.

## VIOLIN CONCERT

Thank you for those of you who joined us for the class 3 violin concert. The children loved to showcase what they had learnt and I think you will agree that we have some very talented musicians.
