

Pupil Premium Strategy 2016/17

In 2011-12 the government launched its Pupil premium funding. This money is sent to schools based on the number of pupils in the school who are eligible for Free Schools Meals (FSM) and the number of children who are in care.

From 2012-13, it has been expanded to include all children who have been eligible for FSM within the last 6 years.

This money is allocated to initiatives to ensure pupils reach their full potential, both academically and socially.

Pupil Premium strategy 2016-17			
Number of pupils on roll		98	
Number eligible for pupil premium funding		4	
Total amount received		£6440	
To improve self esteem To improve ability to work independently To impact on approach to school work To achieve in line with peers – SEND children Success criteria Full engagement in class Aspiration to succeed Progress in line or exceeding peers for non-SEND children. Good progress on an individual level for SEND children.			
What will pupil premium be used for?	What will it cost?	What was the purpose?	What was the impact?
Teaching Assistant Support	£4569	To work with small groups in the classroom to keep children on task therefore improving their outcomes.	Out of the 3 children at our school 1 is working at or above expectations in all subjects. 2 children are working above in reading but are still working towards expectations in writing and maths. They are not working below and made + progress last year. Making this a positive use of the funding.
Pastoral Support TA and resources	£1212 plus £100 resources	To develop self-confidence and self-esteem.	Time set aside for the pupils to have some 1:1 time with pastoral support. Resources to relax and sooth pupils were purchased. Pupils feel happy and safe in school. They know there is always someone for them to talk to. We have a calm atmosphere.
Maths intervention	£787	To achieve in line with peers	This was successful and the child receiving intervention for maths achieved in line with his peers.
