

## Pupil Premium Strategy 2017/18

In 2011-12 the government launched its Pupil premium funding. This money is sent to schools based on the number of pupils in the school who are eligible for Free Schools Meals (FSM) and the number of children who are in care.

From 2012-13, it has been expanded to include all children who have been eligible for FSM within the last 6 years.

This money is allocated to initiatives to ensure pupils reach their full potential, both academically and socially.

What will pupil premium be used for?	What will it cost?	What was the purpose?	What was the impact?
Teaching Assistant Support	£4840	To work with small groups in the classroom to keep children on task therefore ensuring their outcomes are in line with peers.	Focus pupils all working at or above expectations. I child working towards in maths and writing.
Pastoral Support TA and resources	£1228 plus £100 resources	To develop self-confidence and self-esteem. Resources to focus on sensory processing needs and training for staff and parents.	ELSA sessions have given pupils the tools to overcome their barriers to learning. They are settled in their classrooms and have someone to talk to if needed.
Maths intervention	£614	To achieve in line with peers.	In class support was more successful than 1:1 or group intervention in this instance. Review materials used for next year.
