

NORLEY PRIMARY SCHOOL NEWSLETTER

BIKEABILITY

Well done to Class 4 who have all had the opportunity to take part in the Bikeability cycle training this week. The Bikeability scheme is a practical cycle training programme that teaches the children to cycle confidently and competently on today's roads, funded by the Department of Transport. Thank you so much for all the support in getting the bikes to school this week.

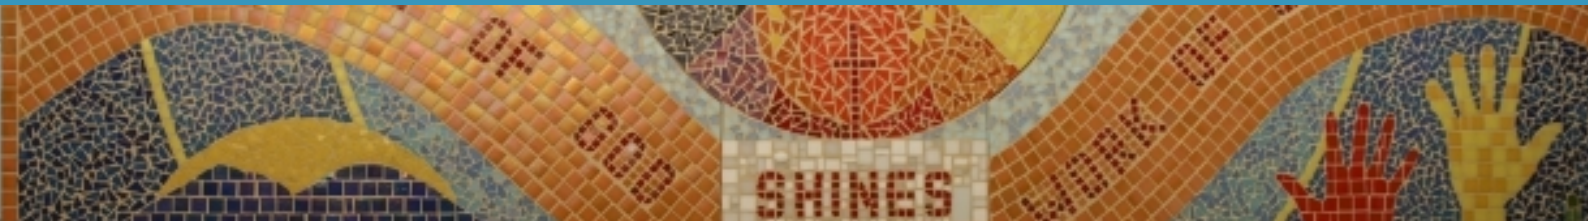

NEWSLETTER

This newsletter is a way of the school informing parents and carers about what the children are up to and also what is coming up in the school diary. It is also where we can celebrate the children's achievements and pass on important information. If any of our parents would like anything to be added in the newsletter, then please don't hesitate to send an email to the school office, it is such a help to find out what is going on in the local community that might be of interest to the children.

A copy of each newsletter is on our website <https://www.norleyce.cheshire.sch.uk/>

Please also keep an eye on our twitter/X page which gets updated by the class teachers. We are registered as <https://twitter.com/NorleyCofE>

SUMMER FUN

The guinea pigs (Barry and Gary) are looking for a home over the summer holidays and for the weekends leading up to it. If your children would like to cuddle them for the weekend or Summer holidays, please contact the School Office.

OUTSTANDING PARENT PAY BALANCES

Thank you to those parents/carers who have already paid outstanding balances on Parent Pay. At the moment we have lots of outstanding payments which makes it difficult to budget for future trips and events. If you haven't already settled any outstanding balances, please could you log into your account to arrange payment as soon as possible. If you are having any difficulty paying off your balance, please speak to Mrs Kelly or email the Office. We are happy to help.

HOMEWORK

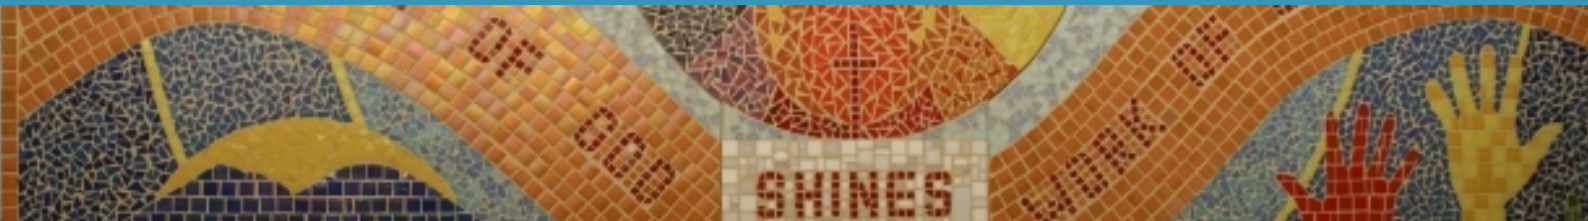

The children's homework is uploaded onto the school website under their class pages. It is due back into school on 19th July for homework sharing with the rest of their class. Our website can be found by following this link <https://www.norleyce.cheshire.sch.uk/>

UNIFORM REMINDERS

This is just a quick reminder that children must come into school in plain grey or white socks and black school shoes and not black trainers. Please could you also ensure that any ear piercings are small studs that can be removed for PE. Our uniform policy is available on our website but please speak to Mrs Kelly or the office staff if you are unsure.

thank you

SCHOOL MEALS

The week starting 17th June will be week 3 of school dinners and the menu can be found on our website. We are delighted that so many children are having school lunches prepared by Mrs Richmond our school cook. Unfortunately there isn't an option to change from packed school lunches to school lunches during the term. If your child would like to swap onto school dinners or vice versa, we ask that you wait until the half term holidays and let the office staff know before the change.

HEALTH & SAFETY

Please do not cut across the car park, cars are moving between 3.00 and 3.30pm. The red path leads on to the main school path that will lead you and your children out of the school grounds safely.

READING & GAMES AFTERNOON

As part of our Fathers' Day celebration we are holding a reading and games afternoon in school. The children are welcome to invite their Fathers or someone who fathers them into school on **Friday 14th June at 2pm** to share some story-telling and games in our beautiful school grounds.

HOLIDAYS

Please try to avoid holidays in school time. Your children miss out so much in their lessons and end up with big gaps in their learning. Holidays at the end of term mean they miss out on assessments and at the beginning of term they miss out on the foundations for the term ahead. We follow current guidelines and parents will be fined for taking their children on holiday in term time.

WELL DONE

Well done to Logan from Class 4 who read out his poetry at the Storyhouse in Chester. It is a daunting job speaking in front of so many people but Logan rose to the challenge and was word perfect. Thank you for representing the school Logan!

ATTACHED FLYER

Please see the flyer attached to the Newsletter which is an opportunity for children to attend workshops at the Lion Saltwork Museum in Northwich.
